Attend this interactive new program designed for all practice areas and learn practical techniques that are critical to your success as an advocate at mediation and arbitration. The morning session will feature presentations and demonstrations on mediation advocacy. The afternoon will highlight practical tips and strategies for effective arbitration advocacy. Register for a half-day or stay for the full-day and engage with the same fact pattern as it progresses from mediation to arbitration.

This program qualifies for The Society's Alternative Dispute Resolution Skills Certificate Program.
