Experienced trial lawyers and judges explore practical issues relating to expert evidence and offer winning strategies on how to choose, use, prepare, examine and challenge expert witnesses. Gain a competitive edge with this popular skills-building program designed for lawyers of all experience levels. Advance preparation is required for the afternoon skills workshop.

You will learn how to:

- Instruct experts on report preparation
- Effectively use expert reports at trial
- Conduct a successful expert examination
- Get even the most challenging expert to support your case
- Navigate difficult ethical issues involving experts
